Living Above the Weather

Have you ever boarded an airplane in a snowstorm? The sky is gray with heavy clouds. Snow is coming down hard, with no sign of letting up. Plows clear the runway and unfamiliar machinery de-ices the wings. Passengers might consider it madness to fly in such weather.

But the pilot knows the storm is earthbound. Past the clouds is glorious sunshine. The plane can fly above the weather, if only it can get off the ground.

When troubles overtake us like a storm, we may wonder in the midst of the darkness if God still cares or if he is even there at all. But if we believe that God, like the sun, is unchanged in good weather and in mad, we can ride it out. For storms are earthbound, but we are not.

—Kari Myers
